KATHY STONEBURNER: My name is Kathy

9 Stoneburner, S-t-o-n-e-b-u-r-n-e-r, Kathy, K-a-t-h-y.

10 I'm with the Alliance for Workers' Rights and the

11 Progressive Leadership Alliance of Nevada.

12 I've been a resident of Nevada for 27 years.

13 My family lives here, my granddaughters live here. This

14 is a bad project. It's bad for citizens, the state, our

15 water, and now with the terrorist activities, it's really

16 a bad idea.

17 The government has the duty to protect our

18 health, safety and welfare. Nevada is not a third world

19 country, we're part of the United States, and there has

20 to be another remedy. I'm against it, I'll fight it.

21 It's just wrong. Thank you.
